Product Description

Husqvarna 562XP® Mark II Chainsaw - 24"

A Redesigned Legend: A 60cc powerhouse for professional forestry and tree care

Engineered for the demands of professional forestry and tree care, the Husqvarna 562 XP® Mark II offers unparalleled handling in even the most demanding work environments. Featuring a new and improved engine design and AutoTune™ 3.0 technology for simpler starting, this chainsaw offers the power of a large saw in a slim, agile body.

A testament to relentless improvement, the 562 XP® Mark II accommodates guide bars of up to 28 inches, and has been meticulously redesigned to offer more durability, improved cutting capacity, reduced weight and enhanced cooling, resulting in a powerhouse that is easy to handle, tough to beat.
